

DETECT-it
Partnerships for Innovation

A DEDICATED NETWORK OF INCUBATORS STIMULATING SME PARTICIPATION IN FP6

With the Support of the European Commission
Sixth Framework Programme

DETECT-IT PROJECT CO-ORDINATOR:
EBN

What is DETECT-it?

- DETECT-it is a European initiative which aims to stimulate the participation of Small and Medium-Sized Enterprises (SMEs) in Research and Technological Development (RTD) activities, in particular in the European Sixth Framework Programme (6FP) for Research and Development
- DETECT-it is supported within the framework of the "Stepping up Economic and Technological Intelligence" (ETI) actions of 6FP

Network of Partners

DETECT-it is a network of 42 partners in 15 countries

Corporate Mentors

NCP & FP Experts

DETECT-it is coordinated by **EBN** representing 30 BICs

A DEDICATED NETWORK OF INCUBATORS STIMULATING SME PARTICIPATION IN FP6

3 Target Research Areas

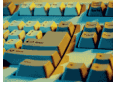

Sustainable Energy & Environment

Food safety & Quality

RESEARCH, INDUSTRY, JOIN CLUSTERS

How to get involved in DETECT-it?

- Visit the **DETECT-it website** and register your organisations profile and interests on DETECT-it database: www.detect-it.org
- Once **your profile is online** you will be invited to
 - Participate in Specific research clusters
 - Events to meet others in your industry sector
 - Conference calls on research opportunities
 - Receive News Bulletins on opportunities
 - Use DETECT-it database to find partners

Introducing your Consortium to DETECT-it?

- The Current Call for Proposals
 - Sustainable Energy Systems: **FP6-2005-TREN-4**
- Identify your consortium & research objectives by
 - contacting me vmulvihill@inbis.com
 - Phone: +352 433944 and/or
- sending a project & consortium description to the DETECT-it Helpdesk info@detect-it.org

DETECT-it Energy & Environment clusters

- **Eco-building cluster**
 - **Cicom** in France with input from **Gaz de France**
 - Coordinator: Alix de Bressy
 - Phone: +33 4 93 00 60 11
 - Email: debressy@cicom.fr
- **Biomass cluster**
 - **Innostart** in Hungary
 - Coordinator: Mrs Patricia Merei
 - Phone: +36 13821514 Email: patri@innostart.hu

DETECT-it Helpdesk

E-mail: info@detect-it.org
Web: www.detect-it.org
Tel.: +32 2 772 89 00
9.30-18.00 Monday-Friday

Project Co-ordinator: **EBN**,
Avenue de Tervuren, 168, Bte 25
B - 1150 Brussels
