# Education corner – Kids Corner

INTELLIGENT  
ENERGY  
EUROPE  
FOR A SUSTAINABLE FUTURE

The screenshot shows the 'Education Corner' section of the ManagEnergy website. At the top, there is a navigation bar with the European Commission logo, the text 'European Commission Energy', the 'managenergy' logo, and 'Education Corner'. Below this is a search bar with the text 'Search for online resources on energy education' and a 'GO' button. To the right of the search bar are three buttons: 'Resources for Teachers', 'Information for Parents', and 'Energy Links for Kids', all of which are circled in red. Below the search bar is a large image of a teacher and students in a classroom. A yellow sticky note is pinned to the image with the text: 'Want quick links to the latest websites on energy education? Below you will find links to websites including lesson plans, learning, activities, award schemes, bright ideas, training, resources, top projects & more. Read introduction'. To the right of the sticky note is a 'Vocational Training Corner' button. Below the sticky note is a 'Resources for teachers' button. At the bottom of the page, there are two links: 'Read introduction to ManagEnergy Education Corner (23 languages)' and 'View Energy Education projects funded by Intelligent Energy Europe (IEE)'. On the right side of the page, there are several other buttons: 'IEE energy education projects', 'Join the School Energy Competition', 'Case studies on energy education', 'Bright ideas for energy education', and 'Top projects on energy education'.

# Vocational training corner

INTELLIGENT  
ENERGY  
EUROPE  
FOR A SUSTAINABLE FUTURE

The screenshot shows the ManagEnergy Vocational Training Corner website. At the top, it features the European Commission Energy logo and the ManagEnergy logo. The main navigation bar includes 'Introduction', 'Select Language', 'Submit links', 'Contact us', and 'ManagEnergy.net'. A search bar is prominently displayed with a 'GO' button and a link to 'Advanced search by language, profession & technology'. Below the search bar, there are three main categories: 'TRAINING for installers & construction trades', 'Architects, surveyors engineers & planners', and 'Energy managers, advisors & consultants'. The central content area features a large image of a worker on a solar panel with the text: 'Below you will find quick links to websites on vocational training in sustainable energy. Links cover training courses and information for plumbers, electricians, installers and the construction trades, including experienced contractors and new apprentices. This website covers solar energy, bioenergy, efficient heating and cooling, sustainable buildings and low-carbon technologies. Read introduction'. To the right, there are several featured links: 'Vocational Training Corner', 'Courses & Careers in Renewable Energy', 'CEDEFOP Skills for Green jobs', 'BUILD UP Energy solutions for better buildings', 'EUREM European Energy Manager training', and 'QualiCert Installer certification'. On the left side, there are additional links: 'ManagEnergy capacity building workshops', 'ManagEnergy Education Corner', 'Case studies & reports on vocational training', and 'Projects supporting sustainable energy skills & training'.
